

Three Days of Play

SIX FLAGS FIESTA TEXAS

◆ DAY AT THE PARK

Pack up the family and head to a world-class theme park for a full day of rides, shows, and oh-so-good park snacks and food. **Morgan's Wonderland** accessible theme park lets people of all abilities enjoy new summer camp and sports-oriented areas with a stable and horses, archery range, a challenge course for all abilities, and more. **SeaWorld & Aquatica San Antonio** boast thrill rides and up-close-and-personal experiences with sea creatures, whether they're seen in behind-the-scenes tours, or ready for a pat in a petting pool. The **Aquatica** water park wonderland keeps everyone cool and having a splashing good time with watery playscapes and exciting slides. **Six Flags Fiesta Texas's** non-stop action includes rides, games, shows, and food for every age and thrill-seeking level, as well as a full-on water park, White Water Bay. Soar like a super hero on the Wonder Woman Golden Lasso Coaster, the world's first single-rail coaster, and then strap into the new Joker Carnival of Chaos, the world's tallest pendulum ride. Or join a special event, like the park's Mardi Gras Festival and Parade.

◆ OUTSIDE OUTINGS

For young naturalists, take a safari-style driving tour among roving antelope and giraffes at **Natural Bridge Wildlife Ranch**. Then dip into **Natural Bridge Caverns**, an underground treasure trove of ancient stalagmites, stalactites, and soda straws. At 300-acre Brackenridge Park, chug along in an iconic miniature train to the **San Antonio Zoo**, home to a multitude of species and one of the world's largest bird collections. Explore **San Antonio Botanical Garden**, a 38-acre living-plant museum with colorful floral displays, futuristic glass pyramids filled with exotic plants, and a Family Adventure Garden that encourages unstructured play and exploration. Yanaguana Park at Hemisfair downtown entices with a splash pad, ping pong and cornhole games, a winding promenade, and nearby eateries.

◆ MAD FOR MUSEUMS

The Witte Museum keeps a family-friendly focus on nature, science, and culture. Dig for dinosaur bones and travel through H-E-B Body Adventure, a four-floor journey of interactive activities to learn all about the miracle of the human body. At **The DoSeum**, San Antonio's children's museum, check out the Sound Maze that invites everyone to make and listen to intriguing sounds, or Spy Academy, where children use mathematical skills to solve covert missions. Then take a trip around the world at the **UTSA Institute of Texan Cultures** via its many festivals, exhibits, and free themed family days packed with crafts, games, special guests, performances, and more. Located at **Hemisfair**, the institute highlights the cultures and stories of people from across the globe who call Texas home.
